

SEPTEMBER SCHOOL SUPPLIES- KINDERGARTEN

Although most school supplies will be provided, we suggest that your child, if possible, have the following materials for use at school next year.

KINDERGARTEN:

- backpack
- lunch container,
- indoor shoes (preferably Velcro),
- change of clothes in a plastic bag (including shirt, pants, underwear and socks).

Please remember to label all items with your child's name.

Your child's teacher will send home more information in newsletters if there are requests for special items for certain activities.

Thank you!
